Bring your own picnic lunch - Rain or Shine!

As life slows down over the summer weeks, here are a few quotes from our most recent popes on the importance of vacations, rest, and relaxation.

During the summertime, let us learn how to take a break, turn off our mobile phones, and gaze into the eyes of others. Let us cultivate silence, contemplate nature, and regenerate ourselves in dialogue with God. - **Pope Francis**

Every good Christian knows that vacation is the time to rest the body but also to nurture the spirit through more time for prayer and meditation, to grow in one's personal relationship with Christ and follow his teachings ever more closely. - **Pope Emeritus Benedict XVI**
